FREE!!
To the first 3 arrivals

- ✓ **Access**
  JR Ebisu or Metro Hiroo Station,
  Just 8 minutes walk

- ✓ **Who teaches?**

After I graduated from TUAT, I started working for a consulting firm in Tokyo. I implemented multiple projects in a consulting firm, especially building HR systems, planning training programs and developing a website as an engineer. Currently I'm struggling on to bring up my children. Please feel free to contact me anytime.

We hold individual consultations upon request.
